THE MONTEZUMA—Las Vegas Hot Springs.

The Hotel Montezuma is located at Las Vegas Hot Springs, in the mountains of New Mexico, 6,767 feet above sea level.

The hotel is luxuriously equipped, with accommodations for several hundred guests. Rates by day or week very reasonable. Here is almost constant sunshine and dry, pure air.

Plenty of chance for outdoor exercise, such as burro-riding and mountain climbing. Hunting and fishing for sportsmen.

Invalids should try the healing waters of the Springs. Hot and cold baths; also shampoo, electric, medicated, and mud baths. Skilled physicians in attendance.

Address Clark D. Frost, Manager Montezuma Hotel, Las Vegas Hot Springs, N. M., for information about cost of staying at the Springs for a day or a year.

Round-trip railroad tickets on sale, via Santa Fe Route, at reduced rates every day in the year, from all principal points.

ATLANTIC & PACIFIC R. R. LAND GRANT.

Relative to terms of sale of lands in the Atlantic & Pacific R. R. Co.'s land grant, inquirers should address Mr. J. A. Williamson, Land Commissioner, A. & P. R. R. Co., Monadnock Building, Chicago. The average price of A. & P. grazing lands, in large and compact bodies, is \$1.25 per acre, according to quality of soil, quantity of grass, water, timber, etc. Timber lands range in price from \$5 to \$20 per acre. Agricultural tracts, along streams where irrigation is practicable, are sold at from \$2.50 to \$10 an acre. Special inducements are offered to purchasers of large tracts of land suitable for colonies, and full information will be given on request.
